

2018 Winter Advance

Finding Peace through Music

Beloved one, for a long, long time you have struggled within the constrictions of the world dimension, a dimension that speaks of loss, suffering and physical challenges. Now I would work deeply within you to bring forth the remembrance of the Peace of you. I and my Mother Mary, Father Joseph, and Mary of Magdala will work with you, consciously and unconsciously, to reveal the power and healing of music. It is one of the ways I was taught by the Masters. You are ready to know it now.

Tuition: \$195.00
Visa, Mastercard, American Express, & Discover Card accepted.

Location: The Clubhouse on Solana Parkway, Sequim, WA

The Winter Advance begins Wednesday evening, February 21st with registration and social at 6:30 p.m. There will be inspirational Evenings with Jeshua, Mother Mary, Joseph, and Mary Magdalene, PLUS daytime workshops by well-known presenters. It will conclude Saturday evening, February 24th, with Q&A time with Jeshua.

Citizens take great pride in the local elk herd.

Located on the northernmost coast of Washington state, on the Olympic Peninsula, about 2+ hours from Seattle, Sequim is situated amidst much natural beauty of mountains and water. The city is in the rain shadow of the Olympic Mountains, which protect the Valley from the rains that fall east and west of Sequim, providing more days of sunshine than any other place in Western Washington. And, yes, Sequim does get snow (but not too much); most of the snow stays in and on the mountains.

In the native language of the S'Klallam tribe, Sequim, pronounced "S'kwim", means "quiet waters". The name is perfect for a community located between the deep waters of the Strait of Juan de Fuca and the majestic Olympic Mountains.

Approximate driving time: 2 hours 30 minutes, with awesome views. Check your favorite Trip Advisory for complete directions.

Via Tacoma Narrows Bridge: From SEATAC airport, get on WA-518 E from Airport Expressway. Follow I-5S, WA-16W across Tacoma Narrows Bridge, and WA-3 N to WA-104W. Follow WA-104W and US-101N to Solana Pkwy in Sequim. Two hours driving time.
